

SCEM Energy Management & Economics

(Virtual Classroom)

**** Supported by e2i ****

IES Academy Virtual Classroom

Introduction

SCEM is a formal training and certification system that offers competent, relevant and holistic training for Energy managers in Singapore. It aims to build competent technical capacity in support of the energy service sector.

Designed for engineering professionals who intend to build their careers as energy managers, the programme gives a thorough understanding of the key energy issues in the industry sector. It will help participants develop the technical skills and competence needed to manage energy services in the organization they serve.

Objectives

- Understand how to set up a successful energy management program
- Understand the Singapore Energy Market and its pertinent market components and rules
- Understand the energy economic fundamentals and life cycle cost concept and calculation
- Be capable to carry out financial analysis and cost prediction for energy saving assessment

Pre-requisites

Prior to attending this course, you should:

- Have a PC / laptop / tablet / smart phone with built-in or external webcam
- Installed the zoom client
- Have Wi-Fi / high speed internet connection available
- Receive an email with a link for you to submit a registration for webinar 1 week prior to the commencement
- Receive an email with a link and password for you to join the webinar session after your registration is successful
- Scientific Calculator

Details

Date : 26, 27, 28 May 2020 (Tue – Thurs)

Time : 9am – 6pm

Duration: Consecutive 3 Days per module

Delivery Mode: Zoom Webinar

CPD : PDU (TBC)

Fee (include GST): \$963.00

E-certificate of Attendance will be awarded to participants who have completed the course survey and assessment.

Target Audience

Engineering professionals who intend to build their careers as energy managers

IES Academy@Jurong East

80 Jurong East Street 21, #04-10
Devan Nair Institute for Employment and
Employability, Singapore 609607

Contact Person: Jessie Tan
DID: 6461 1250 | Main Line: 6463 9211
E-mail: jessie.tan@iesnet.org.sg

Course Outline

- Energy management concepts
- Tool for appraising Energy Management Performance of Organization
- Methodology for setting up an Energy Management System
- Energy monitoring, targeting and reporting
- General energy costs for different energy sources
- Pertinent energy market rules
- Economic Analysis in Energy Efficiency Investments
- Energy policies (e.g. tax refunding and so on)
- Reviewing roles of energy performance contracting and case studies
- Case studies

Trainers' Profile

1. **Dr. Lal Jayamaha** is the author of the book “Energy Efficient Building Systems” published by McGraw-Hill, USA and the founder of LJ Energy Pte Ltd which is one of the leading ESCOs (Energy Service Companies) in Singapore. He graduated from Queen Mary College, University of London with a First Class Honours degree in Mechanical Engineering in 1982. Thereafter he worked for 8 years in Industry including 5 years for multi-national Unilever. In 1990 he was awarded a Research Scholarship by the National University of Singapore to undertake a research leading to a MEng degree. After completing his Masters degree in 1993 he continued his research in heat transfer relating to building heat gain and building energy performance and was awarded a PhD. degree in 1997. After completing his PhD, he specialised in the area of Energy Management and has been the team leader for many major energy audits and energy retrofits carried out in Singapore and the region. He is a Professional Engineer (PE - Singapore), a Chartered Engineer (UK) and a Key Qualified Person (KQP) for conducting Energy Audits. He is also a member of the Institution of Mechanical Engineers, UK and the American Society for Heating, Refrigerating and Air-conditioning Engineers (ASHRAE).
2. **Dr. Jahangeer K. Abdul Halim** graduated from College of Engineering Trivandrum (University of Kerala, India) with a First Class degree in Mechanical Engineering in 1991. Thereafter, he worked for about 5 years as an Air-conditioning Design Engineer in United Arab Emirates. From 1996 to 1999, he worked as a Project Engineer with Schindler Lifts (S) Pte Ltd. He graduated with a Master of Science (M.Sc.) in Mechanical Engineering from National University of Singapore in 1998. He was awarded a Research Scholarship by the National University of Singapore (NUS) in 1999 to undertake a research project on solar energy and was awarded a Master of Engineering (M.Eng.) degree in 2002. After completing his M.Eng. degree, he continued with research and teaching at NUS and his research on evaporatively cooled condensers of air-conditioning systems led to the award of a PhD. degree in 2013. Dr. Jahangeer’s areas of specialization include: evaporative cooling of air-conditioners, solar thermal systems, heat pump systems, building energy simulation and energy optimization. He has also authored chapters in a number of technical books and research papers in international peer-reviewed journals. He is an SCEM (Singapore Certified Energy Manager). He is also a member of Institute of Engineers Singapore (IES) and American Society of Heating, Refrigerating Engineers (ASHRAE) since 1999.

THE SINGAPORE CERTIFIED ENERGY MANAGER (SCEM) TRAINING PROGRAMME

Candidates are required to take **4 core** and **2 elective** modules and take the individual exams within 36 months. Candidates are required to pass all examinations for all modules in order to apply for the SCEM certification.

SCEM Energy Management and Economics is one of the core modules mention below:

Core Modules

- Motor Driven Systems (MDS)
- Air-Conditioning and Mechanical Ventilation Systems (ACMV)
- Energy Measurement and Audit (EMA)
- Energy Management and Economics (EME)

Electives

- Steam and Compressed Air Systems (SCAS)
- Combined Heat and Power Systems (CHP)
- Building Envelope and Lighting Systems (BELS)
- Integrative Design for Energy Efficiency (IDEE)
- Energy Recovery and Reuse (ERR)

*Candidate who has completed the Green Mark Manager course offered by BCA Academy may be exempted from taking 1 elective module.

To register for the SCEM full programme (Professional Level - 4 Cores & 2 Electives) and application for e2i funding, please e-mail jessie.tan@iesnet.org.sg for more details.

If you just want to register for this EME module, please fill up the registration form below.

REGISTRATION FORM

SCEM Energy Management & Economics (Virtual Classroom)

** Supported by e2i **

Date of Course:	26, 27, 28 May 2020 Tuesday - Thursday
Course Time:	9.00am to 6.00pm (Consecutive 3 Days per module)
Delivery Mode:	Zoom Webinar
Course Fee:	\$963.00 (Inclusive of GST)
CPD Programme:	PDU - (All to be confirmed)
Course Coordinator:	Jessie Tan Tel: 6461 1250 Email: jessie.tan@iesnet.org.sg
Closing Date:	First come first serve or when class is full

Participant's Details:

Name (As per NRIC):	Mr/Ms/Mrs/Dr		
NRIC/FIN:		Designation:	
Gender:	Male / Female	Nationality:	Singaporean / Permanent Resident /Others:
Company Name:			
Address:			
		Postal Code:	
Office No:		Mobile:	
		PE / SCEM No:	
Email:		Qualification:	

Contact Person (HR/Accounts Department)

Name:			
Contact No:		Designation:	
Email:			
Address (For mailing of invoice):			
Payment:	Nets/Cheque No:	Amount:	

- Cheque to be made payable to **ENGINEERS SINGAPORE PTE LTD**
- Written notice via email to course coordinator is required for Cancellation or Withdrawal from Course, 7 working days prior to course date
- Course fees are inclusive of 7% GST, course materials and Halal refreshments
- Certificate of Attendance will be issued to paid participants with 100% Attendance
- No-Show of participant would not be accepted as reason for withdrawal or cancellation from course. Thus course fee is chargeable

Acceptance of Terms & Conditions for Registration of IES Academy Courses / Events

I have read, deemed understood and accept the Terms & Conditions of IES Academy courses and events.

Name:

Signature:

Date:

TERMS & CONDITIONS FOR COURSE REGISTRATION

Registration

Any registration, whether online, fax or by email, will be based on a **first-come-first-served basis** and will only be confirmed upon receipt of full payment by Engineers Singapore Pte Ltd unless otherwise invoice to company.

All registrations must be submitted with duly completed registration form.

Closing Date & Payment

The closing date of the event will be 1 week prior to event commencement date. Cheques should be crossed 'A/C payee only' and made payable to **'ENGINEERS SINGAPORE PTE LTD'**, with the ***Date of event, Title of The Event and participants' name indicated clearly on the back of the cheque***, and post to:

Attn: Jessie Tan
IES Academy@Jurong East
80 Jurong East Street 21 #04-10
Devan Nair Institute for Employment & Employability
Singapore 609607

Confirmation of Registration

Confirmation of registration will be given at least one week before the commencement date of event via email. ***If you do not receive the said confirmation email, you are required to contact IES Academy at 6463 9211 during office hours.***

IESA reserves the right to allow only confirmed and paid registrants to attend the Event.

Withdrawals/Refunds of Fees

- Written notice **at least 1 week in advance** before the commencement of the event
- Full course fee shall be refunded subjected to 4.5% transaction charge
- **NO** refund otherwise.
- No-show of participant would not be accepted as a valid reason for withdrawal/refund.
- One time replacement is allowed only if written notice is received by us at least 1 week before the commencement of the event. However, when an IES member is replaced by a non-member, the participant has to pay the difference in the relevant fees.

Cancellation/Postponement

Changes in Venue, Dates, Time and Speakers for the Events can occur due to unforeseen circumstances. IESA reserves the full rights to cancel or postpone the Event under such circumstances without prior reasons. Every effort, however, will be made to inform the participants or contact person of any cancellation or postponement.

Fees will be refunded in FULL if any Event is cancelled by IESA.

Personal Data Protection Act

By registration, you consent to the processing by Institution of Engineers, Singapore of personal data, including your sensitive personal data as defined in the Data Protection Act 2014 for the proper purposes of Institution of Engineers, Singapore (IES). You undertake to observe the provisions of the Data Protection Act 2014 in relation to any personal data you may hold and process as a Members of Institution of Engineers, Singapore, and you agree to indemnify Institution of Engineers, Singapore from liability for any claims or damages that may arise from the processing of this data. For more information kindly refer to [here](#).

Enquiries

For further enquiries, please contact IESA general office at Tel: 6463 9211.
