IES Scholarship

The Institution of Engineers, Singapore Scholarship ("IES Scholarship") is established to support deserving Singapore citizens or permanent residents pursuing full-time undergraduate engineering/technology-related degree in local universities, full-time engineering/technology-related diploma programmes in local polytechnics and, full-time Nitec and Higher Nitec programmes in Engineering or technology-related programme in the Institute of Technical Education (ITE).

IES Scholarships will be awarded to full-time students who are deeply passionate about engineering and have excellent academic and co-curricular activities records. Applicants who face financial hurdles in seeking an engineering education would be given priority over others who have similar excellent academic and co-curricular activities records.

IES Scholars are expected to contribute to the engineering community in Singapore, and develop into dynamic global leaders capable of effecting positive societal change after they graduate and progress in their engineering careers.

2025 IES Scholarship is now opened for applications. All applications shall be submitted electronically to scholarship@iesnet.org.sg using the electronic IES Scholarship Application Forms which is to be found on the following Institution of Engineers, Singapore web-site: https://www.ies.org.sg/About-IES/IES-Awards

Closing date for the application will be on (25/08/2025). Applicants are advised to submit their applications early. There will not be any extension of the closing date and late applications will not be accepted.
