

INSTITUTION OF ENGINEERS, SINGAPORE ORGANISATION MEMBER SCHEME

Objective

To promote the engineering profession in Singapore through the active participation of companies who are engaged in engineering practice, research and development, contracting, and manufacturing, in the activities of The Institution of Engineers, Singapore (IES).

This partnership between industries and IES will enhance networking among engineers and lead to greater contributions by the engineering profession to the Singapore society. In this way, the status of the engineering profession will be raised.

Eligibility

All companies and organizations registered in Singapore and which are engaged in engineering practice, research and development, contracting and manufacturing.

Organisation Member (OM) may nominate **2 employees** to represent them in IES.

Membership Fees

Annual subscription of S\$1,070 only. There is no entrance fee.

Free \$200 training voucher for courses conducted by IES (Applicable for the 2 nominated employees only; Valid for 1 year from the date of membership approval)

Benefits

4 An online job-exchange whereby OMs can post job vacancies FOC while non-OMs are charged a fee for the same service.

2 Continuing Professional Development for Staff of OM

- Conferences, seminars and workshops for continuing education and professional upgrading.

Enjoy members' rate when register for events organized by IES. **(For 2 staff only)**

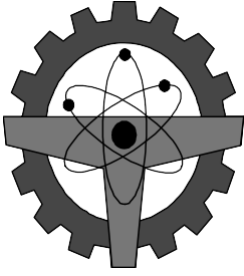

3 Update on new government regulations and allied institution activities.

4 A comprehensive advertisement package to OMs for placements in IES publications and website

- 10% discount for TSE and EDM advertisements.
- Organization's name will appear in the IES Engineering Directory.
- Free publications like IES Magazine

More
