All registered ABC Waters Professionals

Dear Sir/Madam

Change in Renewal period starting 01 October 2016

1. To allow for more flexibility in attainment of Continuing Professional Development (CPD), with effect from 1 October 2016, all ABC Waters Professional Certification Validity will be for a period of 2 years instead of 1 year. In other words, ABC WPs certification will be renewed every 2 years.
2. Upon expiration, all ABC Waters Professionals who are certified after 1 October 2016, may renew his/her certification with IES for another 2 years if they attain the minimum CPD requirement of **12 PDU(ABC)**. Details of CPD requirements can be found at: <https://www.ies.org.sg/Registries/ABC-Waters-Professional-Registry>

Fee Payable (W.E.F 1 October 2016)

3. The total fee structure (w/GST) for all New applications is as follows:
 - (i) Application Fee : \$107.00 (non-refundable)
 - (ii) Subscription Fee for 2 years : \$214.00

How this change would impact current certified ABC Waters Professionals?

4. From now to 30 Sep 2017, concession will be given to ABC Waters Professionals with certification expiring on 30 Sep 2016 to 31 Aug 2017, both dates inclusive. They may renew their certification for 2 years as long as they attained minimum CPD requirement of **6 PDU(ABC)** and pay the required subscription fee of \$214.00 (w/GST).
5. The new requirement of 12 PDU(ABC) will be applicable for their subsequent renewal.
