

Certification Course for Piling Personnel

For Piling Engineers, Technical Managers, QPP, CB-Technical Experts and Auditors according to the qualifications stated in SAC CT31 and CT32.

IES Academy

Introduction / Objective

The course aims to provide the necessary training for the key supervisory personnel for piling industry. It also serves to certify the trained candidate to be qualified to serve in the piling industry as technical manager, piling engineer, site operation supervisor, certification body technical auditor, and other relevant position, as required by Singapore Accreditation Council (SAC) CT31 and CT32 on Certification on Specialist Builders (Piling) Scheme.

This course is one of the key components in "Certification on Specialist Builders (Piling) Scheme" contributes toward enhancing the piling professionalism, improving quality of piling works for safety of buildings on piles, and ensuring competencies of the piling companies in Singapore.

Course Outline

- Introduction on Pile Foundation
- Operation and Maintenance of Piling Machinery
- Pre-operation Preparation Work
- Pile Installation Work
- Quality Check and Testing
- Manage Piling Record

Who should attend?

For attending and passing the test:

Certified Piling Personnel (CPP): Piling Technical Managers, Piling Engineers, Qualified Piling Professionals (QPP): PE (Civil), Certification Bodies (Technical Expert).

Course Schedule

Day 1	Topic
9:30am – 12:30pm	1. Introduction on Pile Foundation 1.1 Function of Piles 1.2 Types of Piles 1.3 Basic Design Concept 1.4 Maintenance of Machinery 1.5 Personnel 1.6 Pre-Operation Preparation Works
12:30pm – 1:30pm	Lunch
1:30pm – 4:30pm	2. Pile Installation Work 2.1 Driven Piles 2.2 Jack-in Piles 2.3 Micropiles 2.4 Diaphragm Walls 2.5 Sheet Piles
Day 2	Topic
9:30am – 12:30pm	2. Pile Installation Work 2.6 Bored Pile
12:30pm – 1:30pm	Lunch
1:30pm – 3:30pm	3. Quality Check, Testing and Records 3.1 Eccentricity and Verticality Check 3.2 Diameter and Concrete Volume Check 3.3 PDA 3.4 PIT 3.5 Coring and Sonic Testing (pre-prepared) 3.6 Managing Records
3:30pm – 4:30pm	45 Minutes Test (10 MCQs + 5 Short Questions)

Registration Form

Certification Course for Piling Personnel

(For Piling Engineers, Technical Managers, QPP, CB-Technical Experts and Auditors)

Date: 8 & 10 Oct 2024

Time: 9:30am to 4:30pm - Classroom training

Fees (inclusive of 9% GST): S\$916.82

Venue: IES Academy@Jurong East

Devan Nair Institute for Employment and Employability, 80 Jurong East Street 21, #04-10
Singapore 609607

Please note that Piling Contractors and other participants shall get themselves familiarized with the requirement on Section 5 & Table 5.1 of CT32: SAC Criteria for Specialist Builders (SB) - Piling Works (PW); particularly for meeting requirements on qualification and piling experience. Attending the Course and passing the Test is only partial fulfillment for registration as Certified Piling Personnel (CPP) of Piling Contractors with IES/GeoSS after successfully passing the Test.

Piling Contractors are also advised to apply to Certification Body (CB)-Piling Works, whenever they are ready to be audited and certified as SB (PW).

Please note that QPP cannot be appointed as CB (Technical Expert); CB(Technical Expert) cannot serve as QPP for the SB(PW) at the same time. Please register with IES/GeoSS accordingly after successfully passing the Test for the registry of QPP and CB(Technical Expert).

Certification Bodies are to be accredited by SAC Accreditation Panel accordingly under CT31 for an Accreditation Scheme for Certification Bodies.

Please fill up the forms according to your plan to apply to the Registry under SAC CT31 or CT32. This must also be in accordance with your academic qualification and years of experience in piling works; and **NOT** according to your current job designation.
